

## Requesting outdoor advertising sign ownership in EPS

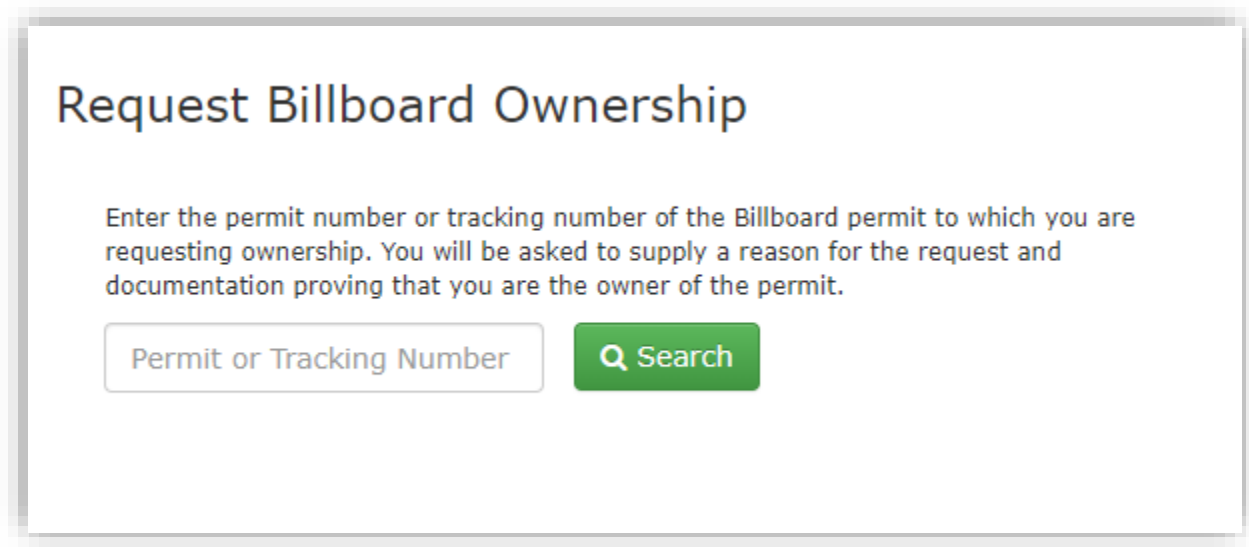

1. Login to EPS at <https://eps.indot.in.gov/>. (If necessary, create a new EPS account by clicking the “Register for a new account” link on the login page.)
2. In the top menu, click on “Permits.” In the drop-down menu, click “Request Billboard Ownership.”

Make sure your EPS profile reflects the company that you represent for this sign. You can see the company or companies associated with your EPS account on the Dashboard page. If necessary, you can add a new company by clicking the green “Add Company” button on the Dashboard page.

*Continued on next page*

3. On the following page, you will be prompted to enter the permit number or tracking number of the sign. (If you have any existing, pending ownership requests, they will be listed below on this page.)

The screenshot shows a web form titled "Request Billboard Ownership". Below the title is a paragraph of instructions: "Enter the permit number or tracking number of the Billboard permit to which you are requesting ownership. You will be asked to supply a reason for the request and documentation proving that you are the owner of the permit." At the bottom of the form, there is a text input field with the placeholder text "Permit or Tracking Number" and a green "Search" button with a magnifying glass icon.

## Request Billboard Ownership

Enter the permit number or tracking number of the Billboard permit to which you are requesting ownership. You will be asked to supply a reason for the request and documentation proving that you are the owner of the permit.

Permit or Tracking Number

 Search

4. On the following page, basic information regarding the permit is displayed (including tracking number, permit number, location information, status and issue date). Confirm that these details match the sign in question.

Supporting Documents:

File Title	File Name	File Size	Date Uploaded	Uploaded By
<a href="#">+ Add Attachment</a>				

Permit Ownership Request Fee: \$ 40

Please select a payment method: [Which payment method should I choose ?](#)

☐ I want to make a credit card payment.

☐ I want to make a subscriber payment.

[Proceed to Pay](#)

- Click on the green “Add Attachment” button and upload all documents necessary to prove the transfer of ownership of the sign.
- Select payment method for the \$40 transfer fee, payable by either credit card or IN.gov subscription, and then click the “Proceed to Pay” button. You will be routed to a secure payment page.
- Please allow several days for processing. If there is an issue or missing documentation, you will be contacted by staff at INDOT Central Office Permits.

**Attaching documentation to provide evidence of the sale/transfer that identifies the sign in question by permit number is required.** If the evidence of sale/transfer does not identify the sign by permit number, an [Affidavit of Sign Transfer of Ownership](#) (signed and notarized) must also be uploaded. In addition to the this affidavit and template, instructions and an example are available on the [INDOT Permits Forms](#) page.

Questions? Email INDOT Central Office Permits staff at [permits@indot.in.gov](mailto:permits@indot.in.gov).

Note: When a transfer involves a large number of signs, a bulk transfer can be done so long as the documentation provided to INDOT adequately identifies each sign by permit number and shows proof of ownership *for each sign*. Contact INDOT Central Office Permits staff for more information. The \$40 transfer fee still must be paid for each sign listed.
